SheryM | jun 09 1992 | Tehran
international Singer, Performer & Fashion Designer.

Bio | SheryM is originally from Tehran, Iran where she achieved initial fame with future hit songs. She released her first solo song, (**Donya Male Ma Nist**) with her own lyrics, in 2014. but for the first released we can say she started with Forsaken by Nima Yahya in Malesya but after that she didn't work till she started again more powerful in farsi songs. SheryM's second released ft, Reza Ramyar (**Mane Ravani**) became hit for more than 20 weeks in Iran and more than 5 time top1 in Persian TV Channels, But that wasn't only hit, after a year she released (**Be Joone To**) feature with Dj AMB witch had popularity same as (**Mane Ravani**), in the following she also released more features hits: **Faaz, Halemoon Khoobe, Owj Aramesh, Salem Nemisham...**

Role-Playing of these videos always been with models while she lived in Iran and she afraid of Arrested by police but then she figured out bigger problems with models that pretending to be her and make money out of it, that makes her to answer for it, so she just decided to show her in (Salem Nemisham) video with a really different look than usual videos, so that makes the video more popular than the others. so after 3 years she known with her face and after that her solo Hit was released (Yeki Mesle Man) and tuned to top1 of some Persian Tv channels, SheryM's debut studio album, Begin, witch was released first, with one song (Shabat Rang-i) on April 19, 2017.

Early life SheryM grew up in Tehran, Iran. She has described her ethnicity as a mix of "Persian, Azeri, She was raised by her stepmother because her grand mother, step mother and for a while with her dad and just for a short time with her mother because when she was baby her parent divorced . She attended the Soodeh complex second high school in Mat but initially with a focus on mat while she was focused on learning music and play guitar and Opera singing. SheryM aspired to train as a solo singer at the Bel canto orchestra, but she decided to change singing style to Pop music When she was 14, SheryM was recruited to join a electronic rap pop band, Digital sound. **2009** Career beginnings with Digital sound: SheryM's singing career effectively began when she started out as a member and as the lead vocalist for the group called Digital sound.

The band's music was produced by former Ashkan Juyandeh Poor, and as we mentioned before in next years she was also soloist of a big group in the name of (Bel Canto) but when she straightly decided about pop music she left the group and continued with digital sound and more working on her own songs.

2013 producer Saeed Ansar find her and told SheryM, "You've got real talent, but I don't think you need the group, and he support her with good music that he made for her and for her features, so Within two years, she did shows through the Tv Shows and other countries in Persian community . beside music she has to make money for living while singing for females is forbidden in Iran, so she just focused on fashion, she knew it professional because of her father's job, she started it in January of 2009 when she also worked for

Loreal and study in Tehran conservatorium . Months later, SheryM released her first collection in her runway, called "Sherrymode". she find it so successful so she continued this way with her own name and she achieve 2 fashion studios,

2016 After her successful solo song (Yeki Mesle Man) she find so many problems with Iran government just because of her fame, she left Iran and every thing that she made in it. she moved in with her mother in Vienna, but seams nothing can't stop her, so she just decided to start again with fashion and computing her first album with many videos.

2017 In this year she focus on the new solo music like Mobtala RezaRamyar & SheryM, Adat solo and Ghole alaki RezaRamyar & SheryM That these 3 really rocked as a hit also Ghole alaki was in Top 10 Chart of Radio Javan. She recently realize Kaboos song with a beautiful video as a Christmas gift to all the people in the world.
